Superintendent's Message

Dear PYLUSD community,

Orange County historians tell us that the Placentia School District dates back to 1878; Yorba Linda School District formed about 40 years later in 1911. Pioneers in those early years established one-room school-houses, and with courage, hard work, and clear vision, laid the foundation for the present-day award-winning education system that we enjoy. I am incredibly proud to serve the Placentia-Yorba Linda Unified School District as superintendent. Our educational heritage gives me much to be thankful for, as well as a keen desire to be a good steward of all that our schools and students represent and have achieved. Inspired by the past, I welcome all of you to join with me in continuing to build our school communities and equip our students for the future.

In the spirit of building toward the future, our district has undertaken some very important work. We launched The PYLUSD Advantage, a pivotal and significant five-year commitment and plan of action for our school district. Providing a framework for aligning our organization around core values, The PYLUSD Advantage guides our decision-making, aligns the priorities in our programs, and ultimately ensures that all of our students will receive an outstanding and comprehensive education.

People—our students, first and foremost; our district employees; families; and others in our supportive community—are the heart and soul of the Placentia-Yorba Linda Unified School District. That is clear. To safeguard this vital commitment and to provide a foundation of educational excellence, we have identified five key Focus Areas.

- **Academic Achievement:** We will expect all students to demonstrate academic achievement in order to emerge college and career ready.
- **Effective Instruction and Leadership:** We will continue to support a dynamic and high-quality instructional program to build lifelong habits of learning.
- **Engaged Community:** We will establish a culture that encourages positive relationships among our students, staff, and parents as well as educational and business partners.
- **Safe and Respectful Environment:** We will foster a safe and respectful atmosphere to promote the emotional health, safety and well-being of students, staff, and parents.
- **Optimized Resources:** We will ensure that all fiscal and capital resources maximize educational opportunities.

The 2015-16 school year provides us an opportunity to write another chapter of new successes and legacy in the history of our school district. We are grateful for the support of each of you—students, staff members, parents, and the community—as we embark on this important work and look forward with much anticipation to a wonderful year.

Sincerely,

Doug Domene, Ed.D.
Superintendent

District Mission Statement

We hold high expectations for all students through rigorous and relevant educational experiences that challenge them to become responsible, ethical, and engaged citizens.

District Vision Statement

We are committed to being a dynamic learning community that prepares each and every student for success now and in the future.

Placentia-Yorba Linda Unified School District Core Values

What We Stand For and Represent

Excellence

We relentlessly pursue excellence in all academic and organizational endeavors.

Collaboration

We work together with all members of our school community to ensure student success.

Integrity

We foster relationships that promote respect, service, and honesty to ensure the well-being of all students.

Innovation

We embrace a culture that celebrates ingenuity and inspires intellectual exploration.

School Mission Statement

It is the mission of Brookhaven Elementary School that all students will grow to reach his or her full potential. Through current evidence-based teaching practices, high expectations, interventions and ongoing collaboration among the staff, we will work together to build strong home-to-school connections in order to foster students' ability to reach their personal best.

Principal's Message

I want to welcome you and let you know that we are excited about the great things happening at Brookhaven Elementary School. I am looking forward to another outstanding year at Brookhaven, and I am excited to see all of our returning parents and students, and I am also eager to meet any families that are new to Brookhaven.

I care deeply for the students that I work with and have high behavioral and academic expectations. I hope to make a positive impact on your children as I get to know them better throughout the year.

In an effort to provide a safe and positive learning environment for all of our students at Brookhaven Elementary School, our staff is developing a Positive Behavioral Interventions and Supports (PBIS) plan designed to create and maintain a safe school environment by promoting positive behaviors. PBIS is a systemwide approach to behavior management where the behavior standards are infused into every part of the school atmosphere. This is a new process for us here at Brookhaven, and we will continue to receive training on how to better our program over the years to come. Our system has been built around our school mascot and has been given the name "The Bear Necessities of Brookhaven." Through the acronym BEARS, the staff created a way to help students remember the standards expected of them in all aspects of their school day: Be the example; Encourage honesty and kindness; Always have a positive attitude; Respect school, staff, and others; and Strive to be your best. The idea is to explicitly teach the expected behaviors and pre-correct student behavior before it becomes a problem. Teachers and staff members will catch those "teachable moments" in and out the classroom and use them to help students learn about appropriate behavior, positive actions, steps to problem solving, being safe, being respectful, and how planning and preparedness leads to success. It is important to keep in mind that PBIS is a process not a program, and we are only beginning this journey.

Students will earn Bear Paw coupon rewards for following the Bear Necessities that can be used to receive different prizes. The staff will be explaining this process and incentive activities to the students during the first weeks of school. This program is expected to evolve over the year as we are beginning a new and exciting system of PBIS. We know you share our goal of providing a safe and positive learning environment for all of our students. Thank you in advance for your cooperation and support.

Please continue to make attendance a priority this year as we continue our "Every Day Counts" campaign. One of the biggest factors of student success is for them to be in school every day. Children that miss a lot of school have missed valuable instruction, which can make it hard for them to get caught up and be prepared for class. We understand that students get sick and sometimes have to miss school: Please be sure to notify the office of your child's absence with a note or a phone call.

As you know, you are a vital part of your child's education. My hope is that we can work together to make this a fantastic year. Please feel free to contact me anytime with questions, comments or concerns. I will be happy to discuss your child with you and hope that we can work together to make this a wonderful learning environment for everyone.

Our Parent Teacher Association (PTA) continues to provide us with funding for activities that enrich our students. They are always in need of volunteers to assist them with fundraising and other activities. If you would like to volunteer, please contact our PTA through the school office. The biggest way you can make a difference is by becoming a PTA member.

I am very excited about the start of a new school year and am confident that it will be a great year for all of us.

Sincerely,

David Cammarato

Principal, Brookhaven Elementary

School Description

A Great Place to Learn and Grow:

Brookhaven was opened in 1969 as a teaching school in collaboration with California State University, Fullerton, and continues to be a place where teachers and staff maintain a culture of learning and growing. Brookhaven is nestled in a tight-knit community of Placentia and has a reputation of high academic standards; well-behaved students; and a friendly, welcoming place to learn and work. When visitors and new parents step on campus, their comments are often, "What a wonderful school! People are very friendly. Students are well-behaved and enthusiastic!" Brookhaven provides many supports to students and their families. Counseling interns, health clerk and nurses, Fibo Art program and the Walk Through program that provided hands-on, active participation in the area of social studies. Physical education is an important part of learning. Students are encouraged to make good choices for a lifetime that support physical and emotional health. Enrichment programs after-school support students with a well-rounded, comprehensive education. Brookhaven is an outstanding place to learn and is a place where students achieve at high levels, and students are well-prepared for middle school when they leave Brookhaven.

Parental Involvement

Brookhaven welcomes parent involvement at our school. On any given day, parents are on campus helping support our teachers and students in a variety of ways.

Whether it is working in a child's classroom or being involved with the PTA or a host of other activities around campus, we welcome parents into our school. Below you will find a list of some of the activities that you may want to get involved with.

- PTA board and committees
- School Site Council
- English Language Acquisition Committee
- Helping with small groups in the classroom
- Preparation of materials for the classroom
- Updating the marquee
- Book Fair
- Fundraising
- Outdoor Education Coordination
- Office support
- Teacher Appreciation Day
- Classroom parties
- Room parents

For more information on how to become involved at the school, please contact the school office for more information at (714) 986-7110.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates for the most recent three-year period. Note: Students are only counted one time, regardless of the number of suspensions.

Suspension and Expulsion Rates			
Brookhaven ES			
	12-13	13-14	14-15
Suspension rates	0.4%	0.7%	0.3%
Expulsion rates	0.0%	0.0%	0.0%
Placentia-Yorba Linda USD			
	12-13	13-14	14-15
Suspension rates	3.6%	3.4%	2.4%
Expulsion rates	0.1%	0.0%	0.0%
California			
	12-13	13-14	14-15
Suspension rates	5.1%	4.4%	3.8%
Expulsion rates	0.1%	0.1%	0.1%

At Brookhaven, we begin each day with our school motto:
"When you believe in yourself, anything is possible."

School Safety

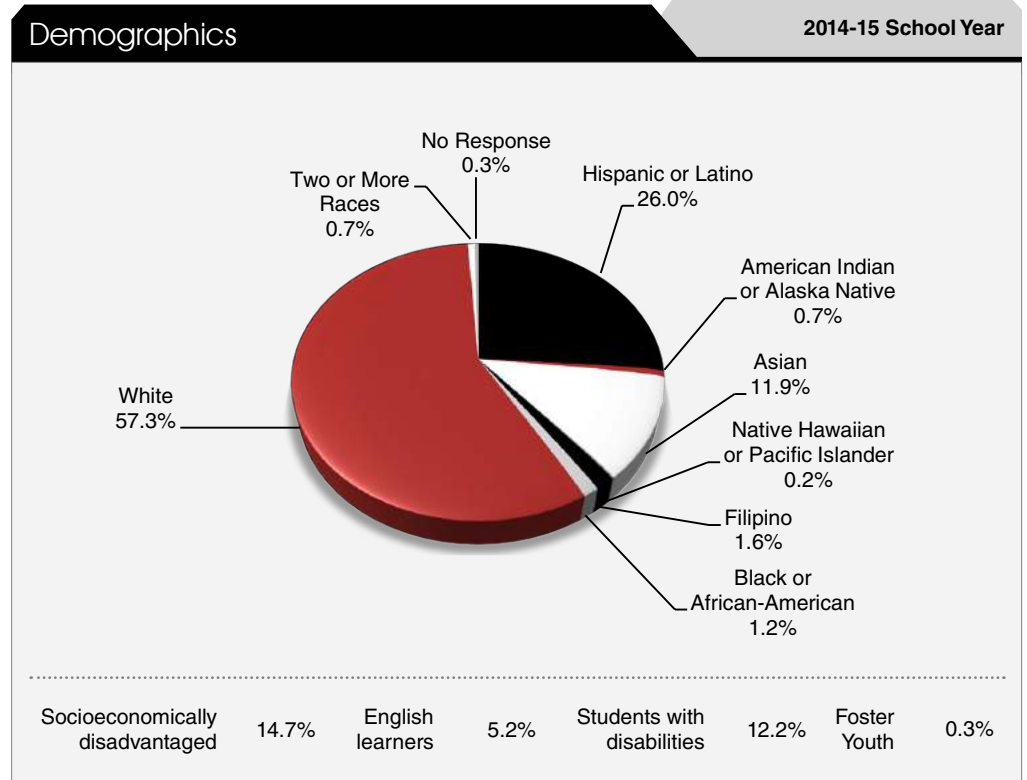

Brookhaven's safety plan is reviewed annually by the administration and staff. It was last reviewed, updated and discussed with school staff in October 2015. Brookhaven has a comprehensive safety plan that includes a behavior plan that equitably applies incentives and consequences for appropriate and inappropriate behavior. Students are recognized for good behavior through our new PBIS system, and students are recognized during our trimester awards ceremony. Classroom teachers all have classroom management plans that reinforce good behavior and provides for consequences for violation of classroom rules. Behavior notifications are sent to parents to inform them of violations to schoolwide rules. At the beginning of the school year, a parent-student handbook is sent home, and parent signatures are provided indicating that they have reviewed school rules with their child. Our parent-student handbook is posted on our website for further review and is updated annually as needed. Internet-use forms are also signed by students promising to adhere to the Internet-use rules at school. Brookhaven provides student access to a counseling intern; implements a fire, earthquake, lockdown, and disaster emergency plan; and conducts monthly emergency drills. The staff has participated in CPR training and is certified. All classrooms have been updated with emergency supplies, and in October, a trained professional led a training session for our teachers on basic first-aid procedures.

Food service has implemented a student healthy-choices program during lunch. Students are offered food choices that now have less fat and lower sugar content than in the past. During physical education, students learn how to have a safe and healthy lifestyle. This program teaches students about good nutrition, and the importance of lifelong exercise planning, as well as team sports and how to play them safely.

An antibullying assembly is scheduled each year to teach students through role-playing how to respond to a bully and how to avoid being a victim. They are taught skills that promote good citizenship through mentoring, leadership and community service. Our student council offers multiple opportunities for students to participate in community-service activities and leadership opportunities. All of these programs promote safety at Brookhaven.

Enrollment by Student Group

The total enrollment at the school was 572 students for the 2014-15 school year. The pie chart displays the percentage of students enrolled in each group.

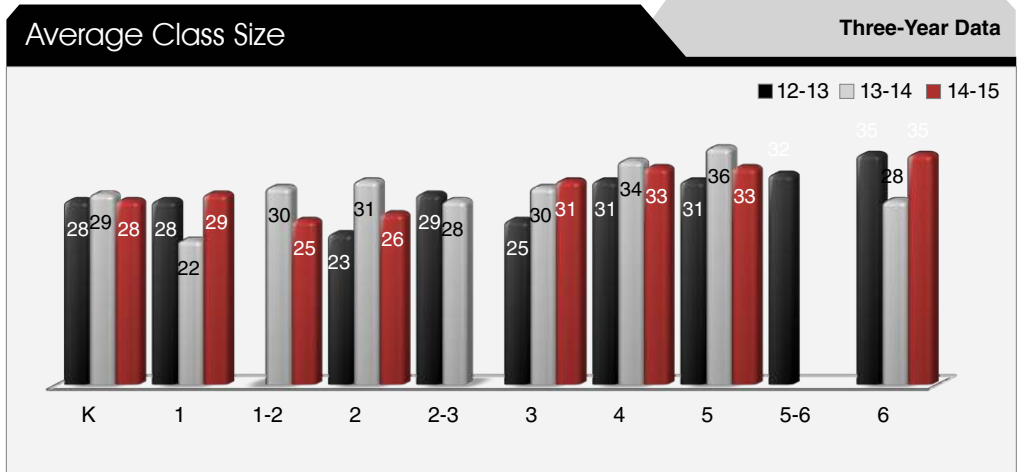

Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2014-15 school year.

Class Size Distribution

The bar graph displays the three-year data for average class size and the table displays the three-year data for the number of classrooms by size.

Grade	Three-Year Data								
	2012-13			2013-14			2014-15		
	Number of Students								
	1-20	21-32	33+	1-20	21-32	33+	1-20	21-32	33+
K	1	2			3			4	
1		2		2				3	
1/2					1			1	
2		2			1			2	
2/3		1			1				
3		2			2			2	
4		2				2		1	1
5		1				2			2
5/6			1						
6			2		2				2

Professional Development

To support teachers during the one day of Preservice in August 2014, the topics were chosen based on the need to prepare teachers to continue the transition to and implement the Common Core State Standards (CCSS). Specific focus areas for Preservice in 2014 included unwrapping the English and language arts (ELA) Speaking and Listening standards and the English language development (ELD) Speaking and Listening standards connections in order so that teachers in all disciplines are able to support students in content-area discussions and collaborative conversations. In addition, training was provided on Close Reading and Visual Thinking Strategies in each individual discipline and grade level.

For Preservice training, teachers attend workshop presentations at various sites in grade-level and content-area groupings. Trainers mostly consist of trained district staff with outside presenters as needed and appropriate. For 2014, the Preservice training was one all-day training.

Follow-up training and support is provided all year long through the district's Professional Development Academy (PDA) in the form of all-day trainings, site support, and coaching. At the site level, principals lead their teams in data analysis and offer teachers opportunities for staff development in-house (trainings taught by teachers on-site or by the principal), or by inviting district PDA trainers to provide staff development. The PDA offers site leaders training as well through Leadership Learning Series. Discipline and/or grade-level task forces of teachers and leaders have also been established to lead implementation and provide direction and support with curriculum, instruction, and assessment.

Continued on sidebar

Professional Development

Continued from left

2015-16

While the 2015-16 school year did not allow for a devoted professional development day during Preservice for all teachers, many professional development offerings were made available for leaders and teachers in August/summer 2015 and during the school year. A focus area was to ensure that all teachers of mathematics were trained in the newly adopted textbook series. Other training options offered during the summer and school year to support districtwide initiatives included Project Read, Step Up to Writing, Classroom Management, FOSS Science Kits, Google Basics, Advanced Google training, ActivInspire, ELA/ELD standards and framework, Positive Behavioral Intervention and Supports (PBIS), and AVID/WICOR strategies. Other avenues for training have included on-site professional development where trained district staff members provide learning modules for sites during weekly professional learning community (PLC) time. Site leaders arrange these trainings with the PDA team.

PDA team members provide collaborative coaching on-site through a collaborative teacher application opportunity and/or at a principal's and teacher request. Cognitive coaching techniques are used to help build capacity.

Local Control and Accountability Plan (LCAP) dollars were also used to send teachers and leaders to relevant training and conferences on such topics as Individual Education Program (IEP) Goal Writing to the CCSS, Multi-Tiered System of Supports (MTSS), universal design for learning (UDL), ELA/ELD frameworks launch and materials fairs, AVID, Next Generation Science Standards (NGSS), and California Assessment of Student Performance and Progress (CAASPP).

Induction training for first- and second-year general education teachers is also provided (formerly known as Beginning Teacher Support and Assessment [BTSA]).

2014-15	1 day
2015-16	0 days

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram® is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

Percentage of Students Meeting Fitness Standards	
2014-15 School Year	
Grade 5	
Four of six standards	7.5%
Five of six standards	31.3%
Six of six standards	56.7%

Adequate Yearly Progress

The federal Elementary and Secondary Education Act (ESEA) requires all schools and districts meet Adequate Yearly Progress (AYP) requirements. California public schools and districts are required to meet or exceed criteria in the following four target areas:

- Participation rate on statewide assessments in English language arts and mathematics
- Percentage of students scoring proficient on statewide assessments in English language arts and mathematics
- Attendance rates for schools with enrollment in Transitional Kindergarten through grade eight (TK-8)
- Graduation rate for high schools

The table displays whether or not the school, district, and state met each of the AYP criteria and made overall AYP for 2014-15. For more information, visit www.cde.ca.gov/ta/ac/ay.

Adequate Yearly Progress Criteria	2014-15 School Year		
	Brookhaven ES	Placentia-Yorba Linda USD	California
Met overall AYP	Yes	Yes	Yes
Met participation rate:			
English language arts	Yes	Yes	Yes
Mathematics	Yes	Yes	Yes
Met percent proficient:			
English language arts	■	■	■
Mathematics	■	■	■
Met attendance rates	Yes	Yes	Yes
Met graduation rate	○	Yes	Yes

Federal Intervention Program

Schools and districts receiving Title I funding that fail to meet AYP over two consecutive years in the same content area (English language arts or mathematics) or on the same indicator enter into Program Improvement (PI). Each additional year that the district or school(s) do not meet AYP results in advancement to the next level of intervention. The percentage of schools identified for Program Improvement is calculated by taking the number of schools currently in PI within the district and dividing it by the total number of Title I schools within the district.

This table displays the 2015-16 Program Improvement status for the school and district. For detailed information about PI identification, please visit www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Federal Intervention Program	2015-16 School Year	
	Brookhaven ES	Placentia-Yorba Linda USD
Program Improvement status	Not Title I	In PI
First year of Program Improvement	◇	2013-2014
Year in Program Improvement	◇	Year 1
Number of Title I schools currently in Program Improvement	6	
Percentage of Title I schools currently in Program Improvement	75.00%	

■ Not applicable. Due to the transition to the Smarter Balanced Summative Assessments, the U.S. Department of Education approved the California Department of Education's waiver request to exclude the percent proficient results from AYP determinations. For more information on the AYP reports, please visit <http://data1.cde.ca.gov/dataquest/>.

○ Not applicable. This AYP indicator is only applicable for high schools.

◇ Not applicable. The school is not in Program Improvement.

California Standards Tests for All Students: Science (grades 5, 8 and 10)

The tables show the percentage of students in grades 5, 8 and 10 who scored at Proficient or Advanced levels (meeting or exceeding state standards) in science.

Subject	Students Scoring at Proficient or Advanced Levels									Three-Year Data		
	Brookhaven ES			Placentia-Yorba Linda USD			California					
	12-13	13-14	14-15	12-13	13-14	14-15	12-13	13-14	14-15			
Science	85%	73%	89%	76%	77%	75%	59%	60%	56%			

California Standards Tests Results by Student Group: Science (grades 5, 8 and 10)

Group	Students Scoring at Proficient or Advanced Levels		2014-15 School Year	
			Science	
All students in the district			75%	
All students at the school			89%	
Male			88%	
Female			90%	
Black or African-American			❖	
American Indian or Alaska Native			❖	
Asian			❖	
Filipino			❖	
Hispanic or Latino			84%	
Native Hawaiian or Pacific Islander			❖	
White			90%	
Two or more races			❖	
Socioeconomically disadvantaged			❖	
English learners			❖	
Students with disabilities			❖	
Students receiving Migrant Education services			❖	
Foster youth			❖	

California Assessment of Student Performance and Progress Results for All Students (grades 3-8 and 11)

The table below shows the percentage of students meeting or exceeding the state standards in English language arts/literacy and mathematics.

Subject	Percentage of Students Meeting or Exceeding State Standards			2014-15 School Year	
	Brookhaven ES	Placentia-Yorba Linda USD	California		
English language arts/literacy	73%	62%	44%		
Mathematics	65%	54%	33%		

❖ Scores are not shown when the number of students tested is 10 or fewer, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

❖ Information is not available at this time.

California Assessment of Student Performance and Progress/Standardized Testing and Reporting Results

Beginning in the 2013-14 school year, the Standardized Testing and Reporting (STAR) Program was eliminated and replaced by a new set of assessments called the California Assessment of Student Performance and Progress (CAASPP).

For the 2015 school year, the CAASPP included a mix of online and paper-pencil assessments. The online component contained the Smarter Balanced English language arts/literacy and mathematics tests. The paper-pencil science assessments of CAASPP included the California Standards Test (CST), California Modified Assessment (CMA) and California Alternate Performance Assessment (CAPA). There was also the optional Standards-based Tests in Spanish for reading/language arts.

The CST is a multiple-choice test in science for varying grade levels. The CMA is a modified assessment for students with disabilities who have an Individualized Education Plan (IEP). The CAPA is an alternate assessment for students with significant cognitive disabilities who are unable to take the CST with accommodations or modifications or the CMA with accommodations.

For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

CAASPP by Student Group: English Language Arts and Mathematics

The tables on the following pages display the information on student achievement at each performance level in English language arts and mathematics for the school by student groups for grades 3-6.

Levels of achievement include:

- Level 1 = Standard not met
- Level 2 = Standard nearly met
- Level 3 = Standard met
- Level 4 = Standard exceeded

Note: The number of students tested includes students who did not receive a score. However, the number of students tested is not the number that was used to calculate the performance level percentages. The performance level percentages are calculated using students with scores.

CAASPP Results by Student Group: English Language Arts and Mathematics - Grade 3

Currency of Textbook Data

This table displays the date when the textbook and instructional materials information was collected and verified.

Currency of Textbooks	
2015-16 School Year	
Data collection date	9/2015

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject	
2015-16 School Year	
Reading/language arts	0%
Mathematics	0%
Science	0%
History/social science	0%
Visual and performing arts	0%
Foreign language	0%
Health	0%

Textbooks and Instructional Materials

The assistant superintendent of Educational Services shall appoint a principal or other administrator to chair the districtwide textbook-selection process. A Steering Committee shall be selected and consist of one certificated staff member from each elementary school (elementary) or at least one teacher from each school from the subject-area department for which adoption is pending (secondary). Appointments to the committee will be based on professional expertise, desire to serve insofar as possible, and the demographic diversity of the district. The Steering Committee shall review materials submitted on state-authorized lists and any other materials which may be considered for adoption. If pilot usage is to be pursued, the Steering Committee shall select the material to be piloted. With or without piloting, the Steering Committee will recommend adoption to the District Curriculum Council, which shall make an adoption recommendation to the assistant superintendent of Educational Services. The assistant superintendent is responsible for preparing recommendations for the Board of Education. The most recent public hearing to adopt a resolution on the sufficiency of instructional materials was held in September 2015. Most recently adopted textbooks were chosen from the state-approved list. Textbook content fits within the curriculum frameworks adopted by the State Board of Education. New State Frameworks have been adopted in English language arts and English language development and mathematics to correspond to the Common Core State Standards. New textbooks to align with the Common Core State Standards will be adopted according to the State of California adoption timeline. Mathematics textbooks were adopted in the spring of 2015. English language arts and English language development textbooks will be available for preview in the spring of 2016 for a possible pilot during the 2016-17 school year and recommended for adoption in the spring of 2017 for implementation in 2017-18.

Textbooks and Instructional Materials List		2015-16 School Year
Subject	Textbook	Adopted
English language arts	<i>Reading, Houghton Mifflin (K-5)</i>	2003
English language arts	<i>Medallions, Houghton Mifflin (upgrade)</i>	2003
English language arts	<i>The Language of Literature, McDougal Littell (6)</i>	2010
English language arts	<i>Language Circle Series, Project Read Phonology</i>	2003
English language arts	<i>Written Expression</i>	2003
Mathematics	<i>California Math, Houghton Mifflin (K-5)</i>	2009
Mathematics	<i>Mathematics, Course 1; Prentice Hall (6)</i>	2009
Science	<i>Full Option Science System (FOSS), California Edition; Delta Education (K-5)</i>	2008
Science	<i>Focus on Earth Science, California Edition; Glencoe (6)</i>	2007
History/social science	<i>History-Social Science for California, Scott Foresman (K-5)</i>	2007
History/social science	<i>Discovering Our Past: Ancient Civilizations, Glencoe (6)</i>	2006

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks		2015-16 School Year
Criteria	Yes/No	
Are the textbooks adopted from the most recent state-approved or local governing-board-approved list?	Yes	
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes	
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes	

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-serve basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation and the ability to print documents.

School Facility Items Inspected

The tables show the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. The following is a list of items inspected.

- **Systems:** Gas systems and pipes, sewer, mechanical systems (heating, ventilation and air-conditioning)
- **Interior:** Interior surfaces (floors, ceilings, walls and window casings)
- **Cleanliness:** Pest/vermin control, overall cleanliness (school grounds, buildings, rooms and common areas)
- **Electrical:** Electrical systems (interior and exterior)
- **Restrooms/fountains:** Restrooms, sinks and drinking fountains (interior and exterior)
- **Safety:** Fire-safety equipment, emergency systems, hazardous materials (interior and exterior)
- **Structural:** Structural condition, roofs
- **External:** Windows/doors/gates/fences, playgrounds/school grounds

School Facility Good Repair Status

This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status		2015-16 School Year	
Items Inspected	Repair Status	Items Inspected	Repair Status
Systems	Good	Restrooms/fountains	Good
Interior	Good	Safety	Good
Cleanliness	Good	Structural	Good
Electrical	Good	External	Good
Overall summary of facility conditions		Good	
Date of the most recent school site inspection		8/13/2015	
Date of the most recent completion of the inspection form		8/13/2015	

Deficiencies and Repairs

For all items inspected that were found to not be in "good repair," a work-order has been created and maintenance will be completed before the end of the 2015-16 school year. Maintenance items will be prioritized so that student safety is not compromised.

School Facilities

Education is a top priority in the community of Placentia-Yorba Linda, and maintaining a safe and orderly environment maximizes student learning. Facilities are maintained through the diligent efforts of the site custodial crews and the district maintenance staff. PYLUSD principals work with the custodial staff to develop cleaning schedules to maintain clean and safe schools. District maintenance staff performs the repairs necessary to keep the schools in good working order in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Brookhaven Elementary School was built in 1969 and has 21 classrooms, a computer lab, library and a multipurpose room. The school's facilities are in good condition and are inspected annually.

The Safe School Planning Committee recognizes and commends the students, staff and parents for the following conditions and programs at Brookhaven that positively affects the physical conditions of the campus.

- Brookhaven provides a safe and secure campus
- All visitors must sign in through the office
- Volunteer ID badges were made available through our picture company
- Locked campus during school hours
- Plant managers survey the campus daily regarding safety issues
- Communication with community through the website, phone messages and marquee
- Regularly scheduled fire, disaster and lockdown drills
- Disaster preparedness and supplies

Types of Services Funded

In an ongoing effort to provide academic instruction, Brookhaven offers Response to Intervention (RTI) instruction for those students who qualify. Students are assessed three times per year on grade-appropriate skills, ranging from pre-reading skills to reading fluency and comprehension skills. Students who qualify for our RTI program will receive additional support in the areas of their need. Currently, our RTI teacher is utilizing research-based interventions materials titled Voyager Passport and Journeys. Our school also provided a lunchtime and after-school homework support class two times per week.

"An antibullying assembly is scheduled each year to teach students through role-playing how to respond to a bully and how to avoid being a victim"

Academic Counselors and School Support Staff

This table displays information about academic counselors and support staff at the school and their full-time equivalent (FTE).

Academic Counselors and School Support Staff Data	
2014-15 School Year	
Academic Counselors	
FTE of academic counselors	◇
Average number of students per academic counselor	◇
Support Staff	
	FTE
Social/behavioral or career development counselors	0.00
Library media teacher (librarian)	0.00
Library media services staff (paraprofessional)	0.50
Psychologist	0.50
Social worker	0.00
Nurse	0.33
Speech/language/hearing specialist	1.00
Resource specialist (nonteaching)	1.00

Teacher Qualifications

This table shows information about teacher credentials and teacher qualifications. Teachers without a full credential include teachers with district and university internships, pre-internships, emergency or other permits, and waivers. For more information on teacher credentials, visit www.ctc.ca.gov.

Teacher Credential Information	Three-Year Data			
	Placentia-Yorba Linda USD	Brookhaven ES		
Teachers	15-16	13-14	14-15	15-16
With full credential	1,067	22	22	24
Without full credential	1	0	0	0
Teaching outside subject area of competence	4	0	0	0

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Please note total teacher misassignments includes the number of teacher misassignments of English learners.

Teacher Misassignments and Vacant Teacher Positions	Three-Year Data		
	Brookhaven ES		
Teachers	13-14	14-15	15-16
Teacher misassignments of English learners	0	0	0
Total teacher misassignments	0	0	0
Vacant teacher positions	0	0	0

Core Academic Classes Taught by Highly Qualified Teachers

The No Child Left Behind Act (NCLB) extended the Elementary and Secondary Education Act (ESEA) to require that core academic subjects be taught by "highly qualified" teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated competence for each core academic subject area he or she teaches. The table displays data regarding highly qualified teachers from the 2014-15 school year.

High-poverty schools are defined as those schools with student participation of approximately 40 percent or more in the free and reduced-priced meals program. Low-poverty schools are those with student participation of approximately 39 percent or less in the free and reduced-priced meals program. For more information on teacher qualifications related to NCLB, visit www.cde.ca.gov/nclb/sr/tq.

No Child Left Behind Compliant Teachers	2014-15 School Year	
	Percentage of Classes in Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
Brookhaven ES	100.00%	0.00%
All schools in district	100.00%	0.00%
High-poverty schools in district	100.00%	0.00%
Low-poverty schools in district	100.00%	0.00%

◇ Not applicable.

Financial Data

The financial data displayed in this SARC is from the 2013-14 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending Web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

District Salary Data		2013-14 Fiscal Year
	Placentia-Yorba Linda USD	Similar Sized District
Beginning teacher salary	\$39,997	\$43,165
Midrange teacher salary	\$74,152	\$68,574
Highest teacher salary	\$93,027	\$89,146
Average elementary school principal salary	\$111,686	\$111,129
Average middle school principal salary	\$115,999	\$116,569
Average high school principal salary	\$125,379	\$127,448
Superintendent salary	\$233,520	\$234,382
Teacher salaries: percentage of budget	42%	38%
Administrative salaries: percentage of budget	5%	5%

Financial Data Comparison

This table displays the school's per-pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison		2013-14 Fiscal Year
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
Brookhaven ES	\$4,159	\$77,487
Placentia-Yorba Linda USD	\$6,023	\$73,852
California	\$5,348	\$72,971
School and district: percentage difference	-30.9%	+4.9%
School and California: percentage difference	-22.2%	+6.2%

School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data	
2013-14 Fiscal Year	
Total expenditures per pupil	\$4,827
Expenditures per pupil from restricted sources	\$668
Expenditures per pupil from unrestricted sources	\$4,159
Annual average teacher salary	\$77,487

Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Local Control Accountability Plan (LCAP) Requirements Aligned in Your SARC

The tables below outline the state priority areas that are included in the School Accountability Report Card.

Conditions of Learning

The table below describes information in the SARC that is relevant to the Basic State Priority (Priority 1).

Local Control Accountability Plan Requirements	Alignment Between State Priority Areas and the SARC
Conditions of Learning	
State Priority: Basic	
Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching. Education Code (EC) § 52060 (d)(1)	
Pupils have access to standards-aligned instructional materials. EC § 52060 (d)(1)	
School facilities are maintained in good repair. EC § 52060 (d)(1)	

Pupil Outcomes

The table below describes information in the SARC that is relevant to Pupil Achievement State Priority (Priority 4) and Other Pupil Outcomes State Priority (Priority 8).

Local Control Accountability Plan Requirements	Alignment Between State Priority Areas and the SARC
Pupil Outcomes	
State Priority: Pupil Achievements	
Statewide assessments (e.g., California Assessment of Student Performance and Progress). EC § 52060 (d)(4)(A)	
The Academic Performance Index. EC § 52060 (d)(4)(B)	
The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and California State University, or career technical education sequences or programs of study. EC § 52060 (d)(4)(C)	
State Priority: Other Pupil Outcomes	
Pupil outcomes in subject areas such as English, mathematics, social sciences, science, visual and performing arts, health, physical education, career technical education, and other studies prescribed by the governing board. ¹ EC § 52060 (d)(8)	

Engagement

The table below describes information in the SARC that is relevant to the Parental Involvement State Priority (Priority 3), Pupil Engagement State Priority (Priority 5) and School Climate State Priority (Priority 6).

Local Control Accountability Plan Requirements	Alignment Between State Priority Areas and the SARC
Engagement	
State Priority: Parent Involvement	
Efforts the school district makes to seek parent input in making decisions for the school district and each school site. EC § 52060 (d)(3)	
State Priority: Pupil Engagement	
High school dropout rates. EC § 52060 (d)(5)(D)	
High school graduation rates. EC § 52060 (d)(5)(E)	
State Priority: School Climate	
Pupil suspension rates. EC § 52060 (d)(6)(A)	
Pupil expulsion rates. EC § 52060 (d)(6)(B)	
Other local measures including surveys of students, parents and teachers on the sense of safety and school connectedness. ² EC § 52060 (d)(6)(C)	

Note: State Priority 2 and 7 are not required in the SARC, as well as certain portions of Priority 4 and 5. For detailed information about LCAP and frequently asked questions, please visit www.cde.ca.gov/fg/aa/lc/lcfaq.asp.

¹ English, mathematics and physical education are the only subject areas included in Other Pupil Outcomes (Priority 8) that are reflected in the SARC.

² The school safety plan is the only other local measure of School Climate (Priority 6) that is reflected in the SARC.
